

Slomoi Immerman Partners  
Chartered Accountants & Advisers

## SMSF Practice Leader – Leading Chartered Accounting Firm in Melbourne

### Lead Our Self-Managed Superannuation Team

Slomoi Immerman Partners is Australia's fastest growing accounting firm for 2020, according to the AFR's Top 100 Accounting firms list. Based in the Melbourne CBD, the firm is built on a foundation of strong traditional values and customer service excellence.

With a distinguished client base the firm continues to experience high growth in the SMSF administration, compliance, and consulting practice and is seeking to appoint an SMSF-focused professional to lead the Self-Managed Superannuation Team.

Key responsibilities of the role include:

- Leading and mentoring team members
- Resolving SMSF Accounting & SIS Regulation queries
- Preparation & reviewing financial statements (year-end & interim)
- Monitoring and advising on changes to SIS Regulations
- Leading in-house & external SMSF training & seminars
- Managing a client portfolio
- Liaising with clients, Professional Service Firms, ATO & Independent SMSF auditors
- Further developing the firm's SMSF consulting practice

The successful candidate must demonstrate the following:

- CA/CPA Qualified with 15 + years of experience
- An intimate knowledge of SMSFs & passion for the industry
- Excellent people management skills
- Experience with Class Super
- RG146 compliant preferred
- The ability to motivate a team & work in a fast-paced environment
- Exceptional communication and presentation skills
- Prior experience leading a firm's SMSF administration and consulting practice
- An enthusiastic, positive, and driven personality

The successful candidate will have the opportunity to work with an award winning and future-focused firm that will support your professional development, with a team culture second to none. Your success is our success.

An attractive salary package is on offer for the right candidate.
